Requested: OR Green Light

In accordance with the terms and conditions of the PrePass® License Agreement, it is the policy of Heavy-Vehicle Electronic License Plate, Inc. (HELP) to preserve bypass transaction data and all carrier business information with the utmost confidentiality. Vehicle-specific transaction data is used only for the purpose of managing PrePass® bypass events. Such data is not publicly disclosed and is not permanently retained. Please refer to HELP’s data policy at PrePass.com for more information.

You have requested to register or have PrePass® customer service register your HELP device with the North American Preclearance and Safety System (NORPASS) and the Oregon Green Light Preclearance Program (OR Green Light). HELP may be required to provide your bypass transaction data* to NORPASS/OR Green Light for its operational and policy related requirements. By registering your HELP Device in the NORPASS/OR Green Light Preclearance system(s), you acknowledge the possibility of this data exchange and hereby authorize HELP to provide bypass transaction data to NORPASS/OR Green Light and waive the application of the PrePass® Data Privacy Policy relating to NORPASS/OR Green Light system requests. HELP devices registered with NORPASS/OR Green Light will also be subject to NORPASS/OR Green Light regulations.
